

Quality "Headliner" type acts at an affordable price!

That's exactly what I am offering you. Hi, my name is Joshua Strongin and I am a Comic Hypnotist, Magician and Mentalist who goes by the performer name Jace. I'd like to explain to you how I can save you hundreds and maybe even thousands of dollars on what you are already spending on entertainment, make you look like a hero, and benefit us "both" at the same time. Yes, I said "both", this is what is called a WIN-WIN situation! Let me get right to the point. I realize that it can be hard for you to find quality, professional entertainment at a reasonable rate so you can make a profit. Most reputable entertainers usually charge from \$400.00 to \$900.00 per show and often times even more, myself included. However, we are all trying to make a living and the bottom line is steady work and how much we make in the long run, not just getting rich on just one show which I'm sure that is how it appears at times.

If you normally hire several or more entertainers to perform for you in a day, whether it be for two days, seven days or even more... here is where I can save you a bundle. I would like to offer to perform for you 2, 3 or even more shows per day if needed for the duration of your event. As you can see from my enclosed brochure I have quite a variety of acts available. By my performing several shows a day at your event I can give you a very affordable rate when comparing to the individual entertainers you are presently hiring which can save you hundreds of dollars! As I said earlier, I do not need to get rich off of just one show and it is the bottom line that counts. That is how I am able to offer you this package. Here are the rates I am offering:

2 shows per day - \$250.00 ea.

3 or more shows per day \$200.00 ea.

(Each show runs approximately 1 hour but can run shorter if necessary)

I was responsible for entertainment at Hudson Valley Ribfest in New Paltz, New York and performed several shows a day, Best of the Hudson Valley, Newburgh Illuminated, and more. I found that the comedy hypnosis shows pulled the largest audiences in the park of all entertainment including bands and well known headliners. This is due to the fact that people love to see their friends and loved ones on stage. It is hysterical, clean fun and very close to home for them. All of my shows are PG rated and have a... 100% Guarantee. If your audience is not entertained or happy with my performance, you pay nothing! That simple.

If you have any questions please feel free to email me at the email below or call me at the number below.

Thank you for your time and consideration and I look forward to working with you in the future.

Sincerely,

Joshua "Jace" Strongin
